

Parent-Teacher Conferences

Parents and guardians of Little Legends Daycare Program:

You're invited to join us for parent teacher conferences to discuss your child(ren)'s performance and achievements at Little Legends or any concerns/feedback to further improve Little Legends Daycare Program as a whole. During these conferences, we will also be reviewing the ASQ Ages & Stages Developmental Scales and our Child Service Reports. Please contact Ms. Lauren or your child(ren)'s primary teacher to set up a conference. If you do not wish to have a conference, there is an option to opt out.
